High Security PVCu Stable Door

## The 'bench

The *unrivalled*, 'Duration' PVCu Stable Door is *no ordinary double glazed entrance door*. With a choice of four finishes, three styles and numerous options of panels and glazing, it is *probably the most versatile door money can buy!*

Manufactured from the finest materials the 'Duration' PVCu Stable Door is second-to-none. Because of its **UNIQUE HIGH SECURITY MULTI-LOCKING SYSTEM** to both top and bottom sections the 'Duration' stable door is considered to be more secure than many conventional PVCu double glazed entrance doors.

Unlike many cheaper imitations, The 'Duration' Stable door is manufactured, to the highest standards from top quality *fully reinforced PVCu* and has passed the rigorous testing of 'Fullex', one of the worlds leading quality, high security lock manufacturers.

Added Security - Lower section safely LOCKED while checking I.D.
